SAMPLE REPORT NOTICE

This is a demonstration report produced by Verivello Ltd. All data shown — including the company name, officers, addresses, filing dates and all other details — is entirely fictional and has been created solely to illustrate the format, layout and depth of a real Verivello Basic Report. A genuine report will contain data verified directly from Companies House and other UK public registers.

WHAT DOES A REAL BASIC REPORT INCLUDE?

Company Profile	Full registered name, company number, type, age, status and previous names
Business Activity	SIC codes with plain-English description of what the company does
Registered Address	Current and full address history from Companies House
Directors & Officers	All current and resigned directors and company secretaries with DOB, nationality and country of residence
PSC / Ownership	All persons with significant control, nature of control, notification date and personal details
Filing History	Complete filing history including confirmation statements and annual accounts with punctuality notes
Charges & Mortgages	All outstanding, satisfied and part-satisfied charges registered at Companies House
Accounts Status	Last accounts filed, next due dates, overdue filing status and accounts type
